

Privacy Policy

Security of your personal data:

We are committed to respecting the applicable law on the protection of personal data and the right to privacy.

To this end, I MET MY NFT implements all security measures against disclosure, loss, misuse, access by unauthorized third parties and alteration of the information you entrust to it. All data received on the Site is backed up daily and stored on a backup medium.

Use of your personal data:

Your personal data will be used, if necessary, only for management purposes. The legal basis for this processing is your consent.

Duration of storage:

The personal data transmitted will be kept for a maximum period of 12 months.

Rights of access, modification, rectification and deletion:

You have the right to access, modify, rectify, and delete the data you have transmitted to us at any time.

Rights to the portability of your data:

You have the right to request the transfer of your personal data. Upon request, these will be communicated to you by sending an e-mail containing them.

Right to limit the processing of your data and to object to the processing of your data:

You have the right to request the limitation of the processing of your data or to object to the processing of your data regarding the above-mentioned processing conditions or those that you have authorized.

Rights to state post-mortem directives:

You have the right to place obligations on us in the event of your death as to the fate of your data (deletion, retention, porting of data to a designated third party).

All the rights you have can be exercised directly by writing to the address:

contact@therealnft.io

You may submit a complaint to the competent administrative authority, in this case the CNIL (www.cnil.fr).
